Format: Nintendo® GameCube™ ♦ ESRB: RP ◆ Ship Date: Coming 2003

FINAL FANTASY® CRYSTAL CHRONICLES™ is the first title in the popular FINAL FANTASY franchise for the Nintendo GameCube. Elements of the traditional single-player RPG have been adapted for the Nintendo GameCube, allowing for up to four-player simultaneous play.

In an innovative new interface, the Game Boy® Advance acts as each player's controller, displaying his or her personal information and hiding it from other players.

Join the Crystal Caravan, and work with your friends to retrieve the magic crystals by working together, cooperating, and making deals. Some obstacles can only be cleared by certain party members, so playing cooperatively will be crucial.
